Creating a “Favorites” gallery for use in Family & Breeder packages

1) Hover mouse over photo click the heart to favorite

2) Click continue to create account

3) Enter information to create account

4) After account is created, all your favorites will have a red heart instead of a grey heart

5) When you have favorited all photos in your package, find the “Share Favorites” button located in the upper right hand corner

6) In the popup window, put your name and the package that you have paid for via PayPal, thank you for business!
